“Companion for Life”
Misc. Adoption Application Form
For the Inland Valley Humane Society & S.P.C.A.

The completion of an adoption application is required prior to any adoption. Each person or family interested in adopting an animal must go through an adoption counseling process. This will allow us to assist you with information and advice on pet care, animal behavior, training, and advise you of responsibilities and costs that will occur during the lifetime of your pet. After completing the application, the Adoption Coordinator will review the information. This application also allows us an opportunity to learn more about the family environment in which your new friend will reside.
